In a continuing effort to meet the challenge of product improvements, the Developer reserves the right to make changes to the plans without notice. All square footages are approximate and may vary from the actual square footage. Decks/balconies/patios, box windows and square footage are approximate and may vary from the actual square footage. Plans are oriented differently than displayed. As reverse, flipped and/or mirrored plans occur throughout the project, they are shown as an example only and are not included.
