In a continuing effort to meet the challenge of product improvements, the Developer reserves the right to make changes to the plans. The square footage of decks/balconies/patios, box windows and square footage are approximate and may vary from the actual square footage. The plans are oriented differently than displayed. As reverse, flipped and/or mirrored plans occur throughout the project, they are shown as an example only and are not included. Refer to the disclosure statement for specific details and information.
